Edge shells

Now we will finish the edge by working the pink part of the diagram.

With color B (off white), starting at position indicated with letter A in the diagram, make a slst. 1sc in the space corresponding to the first three ch of the first filet row, 1p (=ch3, sc) 1sc in the same filet row space. Skip one row. In the space corresponding to the next filet row work as follow: {2dc, 1p} rep. from {to} 3 times, 2 dc. *Skip one row. 1sc in the next filet row, 1p, 1sc in the same filet row space. Skip one row. In the space corresponding to the next filet row work as follow: {2dc, 1p} rep. from {to} 3 times, 2 dc*.

Repeat from *to* until position indicated with letter B in the diagram. Here you will make 1sc, 1p and 1sc in the same stich corresponding to the last st of row36.

In the next sh-sp work as follow: {2dc, 1p} rep. from {to} 3 times, 2 dc. 1sc in the space between the shell and the dc below, 1p, 1sc in the space between the dc and the next shell below .

In the next sh-sp work as follow: {2dc, 1p} rep. from {to} 3 times, 2 dc. 1sc in the space between the shell and the BPdc below, 1p, 1sc in the space between the BPdc and the next shell below Repeat from *to* until second-last sh-sp.

1sc in the space between the shell and the dc below, 1p, 1sc in the space between the dc and the next shell below.

In the next sh-sp work as follow: {2dc, 1p} rep. from {to} 3 times, 2 dc. 1sc, 1p and 1sc in the same stich corresponding to the third starting ch of row 36.

From letter C to letter D you will work as worked from A to B.

Waist straps

Starting at position indicated with letter E in the diagram, holding two strands of color A yarn, with 3mm crochet hook make a slst, ch 80. (foundation chain) 1sc, into 2nd ch from hook 1sc. 1sc in each st until end.

Work 1 slst at the starting point E. You have one loop on your hook. Remove the hook from the loop, leaving a loose live stitch, insert the hook from back to front in pos. E, pick up your loop and pull it trough towards the wrong side of your work. Ch1, Cut the yarn.

For better understanding of this step please se the video tutorial, from 27:54.
