

*The Farmhouse
Tranny Square*
CROCHET PATTERN

This pattern is great for those who are fairly new to the granny square!
I recommend reading through the entire pattern before getting started.

Have fun, and good luck!

Materials:

- Bulky weight (size 5) yarn. I used Paintbox's Simply Chunky in Vanilla Cream.
 - One square measures 9" x 9". 149 yards of bulky weight yarn produces approximately 3–4 squares.
 - *Actual amounts will vary depending on your tension.*
- 6mm crochet hook
- Yarn needle for weaving in ends

Abbreviations:

Ch = Chain

Sc = Single Crochet

Dc = Double Crochet

Sl st = Slip Stitch

St = Stitch

Ps = Puff stitch

Puff stitch:

- Yarn over. Enter your hook into the next stitch. Draw up a tall loop.
- Repeat this 3 more times. You should have 9 loops on your hook.
- Yarn over and pull through all 9 loops on your hook.
- Ch 1 to secure.

The Farmhouse Square

General note: Because of the securing ch, each puff stitch creates an extra space after it (2 and 4 in the picture below). Because there are 2 puff stitches on each side of the square, the sides will increase by 4 each round other than the first one.

Ch 5. Sl st into your first ch to create a circle.

Round 1:

- *Ps twice into center of circle. Ch 2* (this creates your first corner space).
- Repeat *this* 3 more times, until you are back at the beginning.
- Join with initial puff st using a sl st. You should have a small square.

Round 2:

- Ch 2 (this counts as one dc), then dc into the two st's following your ch on this side.
- Ps once into corner space. Ch 2. Ps once more into same corner space.

- *Skip first space of this side (space 1 in the picture above; this is the ONLY round we will skip this first stitch!). Dc into the next 3 spaces (spaces 2, 3, & 4 in the picture above).
- Ps once into corner space. Ch 2. Ps once more into same corner space.*
- Repeat *this* 2 more times.
- Join square with a sl st into top of initial ch.
 - *Note – Each side of this round should contain: A ps in one corner, 3 dc's across, and a ps in the other corner.*

Round 3:

- Ch 2 (this counts as your first dc). Dc into each st following your ch on this side (4).
- Ps once into corner space. Ch 2. Ps once more into same corner space.
- Without skipping the first stitch this time, *dc into each stitch across the next side (7).
- Ps once into corner space. Ch 2. Ps once more into same corner space.*
- Repeat *this* two more times.
- You should be back to the first side. Dc into remaining stitches on the first side (2), until you have reached your initial ch.
- Join square with a sl st into top of initial ch.
 - *Note – Each side of this round should contain: A ps in one corner, 7 dc's across, and a ps in the other corner.*

Round 4:

- Ch 2 (this counts as your first dc). Dc into each st following your ch on this side (6).
- Ps once into corner space. Ch 2. Ps once more into same corner space.
- *Dc into each stitch across the next side (11).
- Ps once into corner space. Ch 2. Ps once more into same corner space.*
- Repeat *this* two more times.
- You should be back to the first side. Dc into remaining stitches on the first side (4), until you have reached your initial ch.
- Join square with a sl st into top of initial ch.
 - *Note – Each side of this round should contain: A ps in one corner, 11 dc's across, and a ps in the other corner.*

Round 5:

- Ch 2 (this counts as your first dc). Dc into each st following your ch on this side (8).
- Ps once into corner space. Ch 2. Ps once more into same corner space.
- *Dc into each stitch across the next side (15).
- Ps once into corner space. Ch 2. Ps once more into same corner space.*
- Repeat *this* two more times.

- You should be back to the first side. Dc into remaining stitches on the first side (6), until you have reached your initial ch.
- Join square with a sl st into top of initial ch.
 - *Note – Each side of this round should contain: A ps in one corner, 15 dc’s across, and a ps in the other corner.*

Round 6:

- Ch 2 (this counts as your first dc). Dc into each st following your ch on this side (10).
- Ps once into corner space. Ch 2. Ps once more into same corner space.
- *Dc into each stitch across the next side (19).
- Ps once into corner space. Ch 2. Ps once more into same corner space.*
- Repeat *this* two more times.
- You should be back to the first side. Dc into remaining stitches on the first side (8), until you have reached your initial ch.
- Join square with a sl st into top of initial ch.
 - *Note – Each side of this round should contain: A ps in the corner, 19 dc’s across, and another ps in the corner.*

Bind off, and you’re all done!

Sew these squares together ([here](#) is my favorite guide to a seamless joining method) to make a blanket of whatever size you like!

Happy making!

Feel free to email me at bundlehandmade@gmail.com or DM me on Instagram if you have any questions about this pattern. I'm happy to help! And please tag me in your blanket photos on Instagram @bundlehandmade – I'd love to see your progress!
